Plant Sale <i>Nina Brown</i>	<ul style="list-style-type: none"> The 6th Annual Plant and Compost Sale was a great success, thank you to all the volunteers that helped A total of 308 bags of compost were sold Discussion for next years plant sale included having a BBQ and compost sale directly at the South Cooking Lake Greenhouse, profits from plants sold that day at the greenhouse could go back to the school (<i>Kyla Norris will look into the possibility of this</i>) Dave Norris also suggested since compost sales continue to grow and people are asking for large amounts maybe we could auction off a truckload of compost We will continue to discuss plans at future meetings
