*Treasurer's Report – Melissa Orr-Langner*

- We have \$16,807.11 in our account.
- This number is a bit inflated as we still have the money from Hot Lunch sitting in the account. Our projected profit for this Hot Lunch session is \$1,447.
- Considering all our budget items this year, we are looking at ending up with approximately \$6,100 in our account at the end of the school year.

### New Business

#### **Fundraising Updates**

*Munch A Lunch Replacement – Shelby Misteck*

- Next year we are thinking of switching out Munch A Lunch for Hot Lunches OnLine (hotlunches.net)
- It's a new and improved system and has cheaper fees. They give a discount for any schools that have under 250 students. If we decide to switch and pay for July, we get another \$25 off. It would end up costing us about \$160 for the year as opposed to Munch A Lunch's cost of \$315.
- Hot Lunches OnLine can also facilitate fundraisers.
- I have a demo set up set up with one of the administrators of the program this week and I will let everyone now how that works out.

*Nitza's Pizza Coupons – Brenda Watmough*

- We have made \$327.78 on the pizza coupons. We have the option of opening this fundraiser up again if we choose to do so.

*Prairie Gourmet – Shelby Misteck*

- There is one week left to order perogies and sausage. The fundraiser closes Monday, March 21<sup>st</sup>.

*South Cooking Lake Greenhouse Gift Cards - Erin Crawley*

- I will confirm with Harold on when the greenhouse is opening (possible opening of April 22<sup>nd</sup>) and make sure he is still onboard with the gift certificates.
- Melissa has offered to create a google form for ordering.
