### New Business

*Hot Lunch New Platform – Shelby Misteck*

- Hotlunches.net is the new and improved version of Munch-A-Lunch. They are based out of BC and have a great support team.
- Stronger from the reporting side as well as easier to load in lunches.
- Ease of use for parents is better.
- Has the same capability for fundraising as Munch-A-Lunch.
- The price is \$162.50 for the year if we sign on by June.
- Credit card fees – Bambora (2.7%) or PayPal (2.9%) accepted.
- A vote was taken to switch from Munch-A-Lunch to Hotlunches.net **APPROVED**

*Gift Certificate Draw – Shelby Misteck*

- Our hot lunch vendors have graciously supplied gift cards in different denominations. We have a total of 17 gift cards and names will be drawn during Praise & Worship on Tuesday.
