### Elder Doreen Funding

- We have had seven visits at a cost of \$700 (\$100 per visit). We had originally budgeted \$300 for these visits. The school is asking for an additional \$400 to cover the extra cost.
- Should we consider taking unused funds from other areas of the budget and put towards Elder Doreen? A vote was taken and all **APPROVED**.

### Notes

- We still have \$3,155 committed in the budget not yet spent.
- Hot Lunch was by far the most successful fundraiser this year – thank you Shelby!
- Let's promote the greenhouse gift certificates before the long weekend.
