New Business

- Spirit Wear – Ordering period will be extended for a couple more days.
- Mixing Spoon & Growing Smiles – Meghan and Heather will take these on again. Ideally the fundraisers will run together with a tentative pick-up date for both items of November 30th. We will put messaging out after Halloween.
- Possible “Movie Night” for January/February when things are slow.
- Grade 8 Farewell Fundraising Committee – Lisa S. and Heather are coordinating. The 7/8’s will run the concession for the Halloween Howler and use those funds for their farewell. Depending on how it goes, they may also want to run the concession for Christmas in the Country.
- Amy brought up the idea of a Chapstick Fundraiser. She will forward the information she has.
- Halloween Howler – we are at 93 tickets sold. Orders are open until Wednesday. Hall monitor volunteers are still needed.
- Christmas in the Country – December 2nd from 10am-4pm. Vendors load in at 8am. We have volunteers for vendor load in. We are looking for a lot more help throughout the day. We will put a call out on the Facebook page in early November for volunteers. We would love to get a Craft Corner volunteer. We also need volunteers to sell raffle basket tickets, sit at the welcome table, and help with take down at the end of the day. We will have the Bookmobile onsite doing letters to Santa. There is no food at the firehall this year- just cookie decorating and hot chocolate. Fireworks will follow. So far for table sales, we have sold 22 of 52 tables.
