Unplanned deficits will be covered by funds from the school's general account.

<b>Project name:</b>	<b>Flex Options 1-4</b>
<b>Person responsible:</b>	Gravelle, Pamela
<b>Revenue Model:</b>	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$20.00 fee collected for this project.
<b>Purpose:</b>	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in elementary option programs. A detailed breakdown of the project(s) will be communicated to parents. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
<b>Items/Services to be purchased:</b>	<i>Fees for this project may be used towards the following:</i> <ul style="list-style-type: none"> <li>• Admission Fees</li> <li>• Educational presentations</li> <li>• Enhanced supplies</li> <li>• Transportation costs</li> </ul>
<b>Surplus/Deficit Handling Plan:</b>	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

<b>Project name:</b>	<b>Grade 1 Enhanced Programming</b>
----------------------	-------------------------------------

<b>Person responsible:</b>	Boehm, Samatha
<b>Revenue Model:</b>	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$150.00 fee collected for this project.
<b>Purpose:</b>	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in activities and enhanced programming. A detailed breakdown of the project and its associated costs can be provided to parents as requested and each trip/event will be communicated with parents. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
<b>Items/Services to be purchased:</b>	<i>Fees for this project may be used towards the following:</i> <ul style="list-style-type: none"> <li>• Admission Fees</li> <li>• Educational presentations</li> <li>• Enhanced supplies</li> <li>• Transportation costs</li> </ul>
<b>Surplus/Deficit Handling Plan:</b>	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

<b>Project name:</b>	<b>Grade 2 Enhanced Programming</b>
<b>Person responsible:</b>	Andrea Kroeker
<b>Revenue Model:</b>	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$150.00 fee collected for this project.
<b>Purpose:</b>	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in activities and enhanced programming. A detailed breakdown of the project and its associated costs can be provided to parents as requested and each activity/event will be communicated to parents. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
<b>Items/Services to be purchased:</b>	<i>Fees for this project may be used towards the following:</i> <ul style="list-style-type: none"> <li>• Admission Fees</li> <li>• Educational presentations</li> <li>• Enhanced supplies</li> <li>• Transportation costs</li> </ul>
<b>Surplus/Deficit Handling Plan:</b>	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be

spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

---

<b>Project name:</b>	<b>Grade 3 Enhanced Programming</b>
<b>Person responsible:</b>	Andrea Kroeker
<b>Revenue Model:</b>	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$150.00 fee collected for this project.
<b>Purpose:</b>	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in activities and enhanced programming. A detailed breakdown of the project and its associated costs can be provided to parents as requested and each project/event/activity will be communicated with parents. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
<b>Items/Services to be purchased:</b>	<i>Fees for this project may be used towards the following:</i> <ul style="list-style-type: none"><li>• Admission Fees</li><li>• Educational presentations</li><li>• Enhanced supplies</li><li>• Transportation costs</li></ul>
<b>Surplus/Deficit Handling Plan:</b>	<i>Plan for handling unspent fees collected from students:</i> After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

---

<b>Project name:</b>	<b>Grade 4 Drumheller Overnight</b>
<b>Person responsible:</b>	Workun, Katerina
<b>Revenue Model:</b>	Funds collected in this project are generated from student fees, as described below: The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There may be a \$165.00 fee collected for this project. Additionally, some funds collected in this project are generated from donation, fundraising or other revenue sources.
<b>Purpose:</b>	<i>Student Fee</i> The purpose of this project is to collect fees for students to participate in the overnight Drumheller Field Trip. A detailed breakdown of the project and its associated costs can be provided to parents as requested. All approved fee maximums are available on the school website. <i>Donation/Fundraising/Other</i>
<b>Items/Services to be purchased:</b>	<i>Fees for this project may be used towards the following:</i> <ul style="list-style-type: none"><li>• Admission Fees</li><li>• Educational presentations</li><li>• Transportation costs</li></ul>

**Surplus/Deficit Handling Plan:** *Plan for handling unspent fees collected from students:*  
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.  
*Plan for handling unspent donations, fundraising, or other revenue received:*

---

**Project name:** **Grade 4 Enhanced Programming**

---

**Person responsible:** Workun, Katerina

---

**Revenue Model:** Funds collected in this project are generated from student fees, as described below:  
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$150.00 fee collected for this project.

---

**Purpose:** *Student Fee*  
The purpose of this project is to collect fees for students to participate in activities and enhanced programming. A detailed breakdown of the project and its associated costs can be provided to parents as requested. Each project/event/activity will be communicated with parents. All approved fee maximums are available on the school website.  
*Donation/Fundraising/Other*

---

**Items/Services to be purchased:** *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Transportation costs

---

**Surplus/Deficit Handling Plan:** *Plan for handling unspent fees collected from students:*  
After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

---

**Project name:** **Grade 5 Enhanced Programming**

---

**Person responsible:** Diduck, Andria

---

**Revenue Model:** Funds collected in this project are generated from student fees, as described below:  
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$150.00 fee collected for this project.

---

**Purpose:** *Student Fee*  
The purpose of this project is to collect fees for students to participate in activities and enhanced programming. A detailed breakdown of the project and its associated costs can be provided to parents as requested. Each project/activity/event will be communicated with parents. All approved fee maximums are available on the school website.  
*Donation/Fundraising/Other*

---

**Items/Services to be purchased:** *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Transportation costs

---

Unplanned deficits will be covered by funds from the school's general account.

---

**Project name:** **Grade 5/6 Fine Art**

---

**Person responsible:** Diduck, Andria

---

**Revenue Model:** Funds collected in this project are generated from student fees, as described below:  
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a 25.00 fee collected for this project.

---

**Purpose:** *Student Fee*  
The purpose of this project is to collect fees for students to participate in fine art programming. A detailed breakdown of the project and its associated costs can

be provided to parents as requested as it will be compiled as the program unfolds. All approved fee maximums are available on the school website.

*Donation/Fundraising/Other*

**Items/Services to be purchased:**

*Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Equipment replacement, school with less than 500 students (maximum \$4.00 per student to a maximum balance of \$35,000)
- Transportation costs

**Surplus/Deficit Handling Plan:**

*Plan for handling unspent fees collected from students:*

After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

**Project name:**

**Grade 5/6 Foods**

**Person responsible:**

Diduck, Andria

**Revenue Model:**

Funds collected in this project are generated from student fees, as described below:  
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$40.00 fee collected for this project.

**Purpose:**

*Student Fee*

The purpose of this project is to collect fees for students to participate in 5/6 Food Studies. A detailed breakdown of the project and its associated costs can be provided to parents as requested as a list will be compiled as the course progresses. All approved fee maximums are available on the school website.

*Donation/Fundraising/Other*

**Items/Services to be purchased:**

*Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Transportation costs

**Surplus/Deficit Handling Plan:**

*Plan for handling unspent fees collected from students:*

After the project is completed, any unplanned surplus over \$10.00/student will be credited back to the student account. Any unplanned surplus of \$10.00/student or less will be transferred to the school's general account to be spent on other student-related activities. Unplanned deficits will be covered by funds from the school's general account.

**Project name:**

**Grade 5/6 Leadership/Student Wellness**

**Person responsible:**

Diduck, Andria

**Revenue Model:** Funds collected in this project are generated from student fees, as described below:  
The fee collected for this project will be spent on a cost recovery basis and has been estimated based on the expected costs. There will be a \$30.00 fee collected for this project.

---

**Purpose:** *Student Fee*  
The purpose of this project is to collect fees for students to participate in Leadership and SWAT. A detailed breakdown of the project and its associated costs can be provided to parents as requested as expenses and projects within this course will be tracked as the course progresses. All approved fee maximums are available on the school website.  
*Donation/Fundraising/Other*

---

**Items/Services to be purchased:** *Fees for this project may be used towards the following:*

- Admission Fees
- Educational presentations
- Enhanced supplies
- Transportation costs

---

**Surplus/Deficit Handling Plan:** *Plan for handling unspent fees collected from students:*
