

REGISTRATION OPEN!

Young Disciples at OLPH is excited to invite you to our Junior High youth group for grades 6-9. We meet Wednesday nights from 6:30 to 8:00 and have fun hanging out, playing games, discussing important topics, praying for those in need and helping with service projects throughout the parish. Sometimes we go out of the church and sometimes we stay inside doing a lot of fun things. If you enjoy **games, music, fellowship, snacks, helping others**, and just **hanging out with friends**, then this is the place for you!

LOADS OF FUN

“ I have been coming to Young Disciples since I was 4 years old. Since grade 4 I have been looking forward to getting into the Junior High group. This is the fun group! We go out for ice cream, go sledding, and do fun games like covering our faces in Vaseline and throwing cotton balls at it.

We also volunteer at the church and with other organizations. But don't get all discouraged and be like "Volunteering? That doesn't sound very fun!" because it is fun! At Christmas sometimes we wrap up the gifts for the poor or sort boxes full of food for the food bank. We get to hang out with our friends and with God playing awesome games. Come to the Junior High Disciples! Even if you just come see what its like. I promise you won't regret it! ”
